NIC #06170-84
29 October 1984

National Intelligence Council

MEMORANDUM FOR: Director of Central Intelligence
Deputy Director of Central Intelligence

VIA: Herbert E. Meyer
Vice Chairman
National Intelligence Council

FROM:
Assistant National Intelligence
Officer for Narcotics

SUBJECT: IIM 84-10010: Cuban Government Involvement in
Drug Trafficking

1. Attached for your approval is the draft of the captioned IIM. This paper was originally requested by the Director, INR, and appears on the NIC production schedule with a completion date in December 1984. The drafter of the memorandum is of OIA.

2. In response to comments from the SRP, we have reflected in the Key Judgments the substance of Appendix II, Cuban Drug Policy, and Appendix III, Intelligence Gaps. We have also recast our judgment regarding Havana's sensitivity to US accounts of its involvement in the drug trade and have deleted an unnecessary reference to El Salvador in the discussion of traffickers' arms deliveries to Nicaragua.

3. With your concurrence, we will forward the draft IIM to NFIB principals. The coordination meeting with NFIB representatives is scheduled for 16 November 1984.
